WHY SEVEN-SEED WORDS FOR EBENEZER

In 1883, a small band of Baptist started what we call today, Ebenezer Baptist Church. Ebenezer's beginning was anchored with these words "Hope For The Future."

So why Seven-Seed Words?

To guide us in defining our church and ourselves based on these words. So, we ask of you for the next ninety days to Read, Pray, Meditate and Fast if you can over these seven words. This will take discipline and focus. But if you are committed to Christ and Ebenezer, I believe we can all make this sacrifice. We charge and ask of all to embrace a process of spirituality.

This is a three-step process to be followed daily as related to our Seven-Seed Words.

Step 1, pray about the word.

Step 2, read the related scripture of the word.

Step 3, meditate on the word quietly.
